2. What is Pete's office number?  
**352.294.6685**
3. What is the TA office number?  
**The Syllabus says it is posted in the daily schedule on Canvas, but I can't seem to find it. The Canvas page is very well organized and very small at this point, so I don't know if I am just missing it or if it isn't posted yet. I don't think the TA office number would be the same as the instructor's office number (CSE E474).**
4. What is the day, date, and time of our second exam?  
**Tuesday, 2020/03/24, periods: E2 – E3 | 20:20 – 22:10 | 8:20 – 10:10 PM**
5. What is the day, date, and time of our assigned final exam period?  
**Tuesday, April 28, 2020 from 7:30 – 9:30 AM**
6. When will any make up exams be administered?  
**They will all be administered at the same time as the assigned final exam period above.**
7. Is there any graded penalty for missing lecture?  
**No**

8. If you are attending a UF sanctioned event that requires you to leave Gainesville and miss one of our exams, when must you notify Pete in order to receive an exception for a make up: *well before the exam or during the exam time, or after the exam?*

**Well before the exam**

9. Writing a function that solves part of a problem asked on a homework exercise and giving it to your classmate is **not** a breach of the University Honor Code: *true or false?*

**False**

10. Asking the TAs for assistance in debugging an error message when compiling your semester project is **not** a breach of the University Honor Code: *true or false?*

**True**
